

Hymn To Connie and Lynn and the Grossmont Museum

This little hymn is to Connie and Lynn.

It started as a whim by Connie and Lynn.

Connie and Lynn
Created the Grossmont Museum.

2008 was the opening date
A little spare space in the math storage place.

As donations came it became very clear.
They needed more space to put all the cool gear.

So in 2021
after a stroke of Dan's plume
a larger one went into the Girl's PE Room.

But from 22 'til 24, all was stored of the increasing hoard.

Then finally our museum had a new fancy place.
Even though it was in a slightly smaller space.

So special thanks to big Dan, who's Grossmont's main man.

And thanks is sure due to Tom, Eddie, Tony, and crew.

Plus many big cheers
to you sponsors and volunteers
who have been so generous
over all of these years.

With all the above, to the students, staff, and community with love.

So visit us soon in our beautiful museum room.

And think of this as a hymn
To Connie and Lynn
Our dear Connie and Lynn
And their Grossmont Museum
Our Grossmont Museum
