

The New GHS Museum Needs Your Help

With the wonderful support of Principal Dan Barnes, before our move, the 1950 Dance Room/Girls Rec Room will be painted, the floors refinished, electric outlets added along the perimeter of the room and hallway, the exterior doors replaced with security doors, and security added. However, we need your help to change a 3300 square foot empty room and hallway into the new GHS Museum.

Current Dance Room

Small Showcase

27 New Museum Showcases Cases

(We currently have 5 small and 5 large showcases.) Each donor will be recognized with a small donor plaque on the showcase.
