

Summer 2021 GHS Museum Update

GHS MUSEUM SUMMER HOURS

July 2021

Friday, July 9th from 10-1

Saturday, July 17 12-3

August 2021

Saturday, August 14 from 10-1

Friday, August 20 from 4-7

On Fridays, you may park in the parking lot (which has handicapped spaces) next to the tennis courts on Dennstedt.

On Saturdays, the parking lot at the front of Grossmont is available, as well as parking on the circle in front of the "Castle". You may also park on the street on Dennstedt, but the parking is limited.

You MUST wear a mask during your visit. No appointment necessary

Our Saturday summer hours are in conjunction with class reunions. If your class is planning a reunion and would like to visit the museum, please contact us.

Thank you to Our Amazing Showcase Donors:

We thank so many people for their financial support; attached is a list of those who funded the new showcases in the museum. (We also have used all of our "old" showcases, 5 large and 4 small. 2 of the large showcases are from the 1950s. Thanks to the district electrician, Greg Kielinen, we have lights in all of the 5 large showcases.)

Campus Benches

In 2020-21, the campus has been transformed with new royal blue benches, thanks to our amazing donors. Please read the attached list to see the list of new benches and the generous donors who made it possible.

Most of the benches are installed on campus; several more are in progress. If you would like to create a new bench, here is the process.

How to Order a Campus Bench

The company's prices increased recently; the cost of a bench is \$1888.

Each of the 3 lines can be up to 32 letters (including spaces) for the font used on the other benches. Once you share the text, we can get a proof for you to approve.

The fastest way to order is to mail us a check payable to The Park Catalog to send to the company to our home Connie and Lynn Baer, 5990 Avenorra Dr., La Mesa, CA 91942.

Or pay with a credit card using the gold donate button on our homepage at foothillermuseum.com.

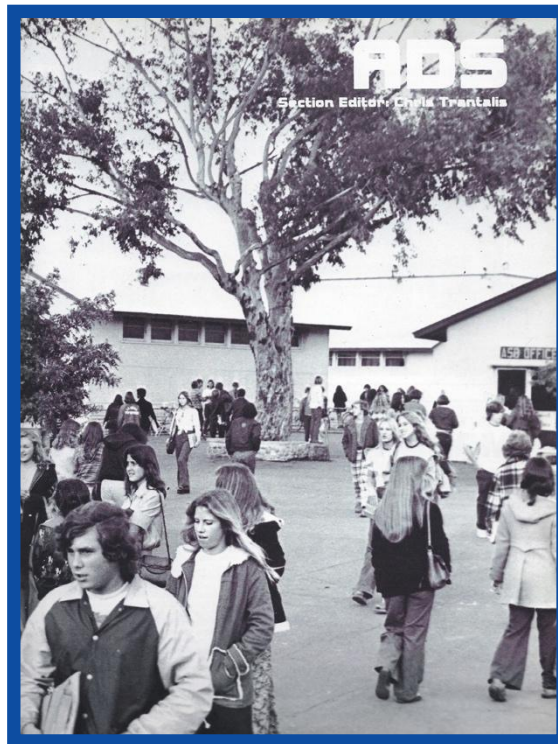

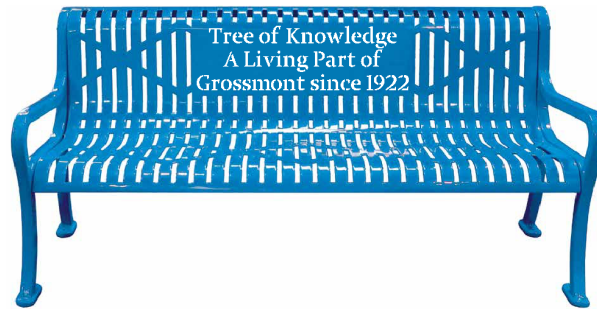

(We need to sign the invoice and the proof and mail them with a check to the company; please do not order the bench directly through the company since we receive a discount.)

Let must know if you have any other questions at ghsmuseum@guhds.net.

Historic Tree of Knowledge Bench

Remember walking on the "road" across campus and standing underneath the large eucalyptus tree in the center of campus? Today, it still stands, a symbol of Foothiller past and present. We are fundraising for a bench to commemorate this historic piece of GHS. The cost of the bench is \$1888.

You may donate using the gold Donate button on our homepage at foothillersmuseum.com or mail us a check payable to GHS Educational Foundation to Connie and Lynn Baer, 5990 Avenorra Dr, La Mesa, CA 91942.

1975 El Recuerdo

Final Thoughts

We are looking forward to the 100th plus 1 Anniversary Celebration October 15th and 16th, as well as the 101st anniversary of playing Sweetwater HS in football in August 20th. More details are coming.

We hope you are making your plans to visit and share your Foothiller stories with us as did these alumni:

The Baranowski Family: Mark Baranowski, Class of 1967 GUS, Claudia, Class of 1975, and Fred Baranowski, Class of 1970 GUS, A Two GUS Family Visit June 2021

Class of 1970 Friends Visit the Museum May 2021: Donalyn McClard Juhlin, Cindy Scholz Zamost, Mary Tilley Kahn, and Laurie Oxford Macpherson

We hope to see you soon at the GHS Museum!
Enjoy your summer!
Connie, Lynn, Paul, and Jerry
