

# Looking Back

THE Girls' Basket-ball team this year failed to win the laurels as County Champions, which was at first anticipated. Nevertheless, they had a good team and much credit is due both the team and their coach, Miss McCarthy. Josephine McClain was elected captain. There were eight who received letters. They are:

## More about the 1922 Second Girls Basketball Team

(Photo on page 1)

The 1922 Girls Team photograph was taken in Lakeside, where GHS was located for two years while the new high school was being built. In the background, Lindo Lake is visible.

## 2006-2007 Girls Varsity Basketball Team

The team became Grossmont's third league champions. (The girls varsity league did not begin until the 1970's.) Senior Therese Riedel received an athletic scholarship to Vanguard University, and La'Kenya West was the East County Sports Player of the Year, broke several school records, and received a scholarship to Oregon State.

Today Coach Megan Long recalls, "The team achieved success due to their work ethic and coachability. They maximized their talents, were able to execute game plans, and were fast and defensive minded. They won with their intensity, teamwork, and trust. It was a pleasure to be a part of this group."
